

## JOB DESCRIPTION

### Malting Operations & Farmers Markets Assistant Manager

**Salary:** Negotiable

**Bonus/Incentive Eligibility:** Yes

**Hours:** This is a full time/salary position (~40hrs/wk)

- Malting Operations: Monday – Sunday 1<sup>st</sup> shift 7am – 4pm or 2<sup>nd</sup> shift 2pm – 10pm (varies)
- Farmers Markets: Thu 2-7 PM, Fri 3-7PM, Sat 9AM-3PM (varies)

**Description:**

1. Operations

- Assist in the production of malted grains, including but not limited to: Grain cleaning, turning germinating malt, deculming and packaging malt, shipping/receiving, and order fulfillment.
- Assist in the production of food products, including but not limited to: Grain/malt milling, baking mix production, packaging, and shipping/receiving.

2. Farmers Markets

- Assist in sales/marketing activities at retail markets, including but not limited to: Set-up, load-in and load-out and farmers markets. Sales and marketing of grain and malt ingredients, including guided sampling of food and beverages with consumers at weekly markets. Customer service, and customer liaison, communicating directly with Farmers Market Manager.

**Education:** BS in Biology, Chemistry, Engineering, or Agriculture preferred.

**Required:** 21 or older. Candidate must be able to follow detailed instructions. Communicates and works well with others. This job requires physical capabilities to load products and supplies in and out of markets, and move grain/malt and market supplies regularly >50 lbs.

**Desired:** The ideal candidate has experience farming, brewing, distilling or working in a commercial kitchen. Prior experience at Farmers Markets and/or customer service and sales experience with food and beverage retail operations desired. Experience in regulated food/beverage manufacturing environments using cGMPs also preferred. ServSafe and RAMP certifications.

**Benefits:** Medical, dental, & 401K (4% match). 20% employee discount. Microsoft 365 subscription.
